**Re: United States v. Alexander Beleson**  
**Docket No. 11-cr-614-VM-20**

Dear Judge Marrero:

I, Albert Y. Dayan, am the attorney for defendant, Alexander Beleson. Your Honor, I am kindly requesting a hearing on the Modification of Bail Conditions on the defendant, Mr. Beleson.

Mr. Beleson, who has been seeking employment was offered a job in the State of California and is kindly requesting the court's permission to travel to that State to take up employment and to reside there during this time. Whenever Mr. Beleson has to make his appearance in court he will travel to New York to do so. He is also kindly asking that he be given the opportunity to report to a Pre-trial Officer while in the State of California.

The Government and the Pre-trial Office have objected to this request.

Thank you Your Honor.

Sincerely yours,

*Albert Y. Dayan*
